**RE: Request for Certificate of Correction  
U.S. Patent No. 6,833,533**

Dear Commissioner:

The subject of the above patent is an oven. However, the title erroneously says "over". Enclosed is paperwork which I had earlier submitted in an attempt to correct the error.

Please note that the paperwork which I submitted last December stated that the Application Serial No. was 10/800,006. This statement was in error.

The correct application serial No. is: **"10/800,060"**

The error which I am attempting to correct clearly is a typographic error committed by the Patent Office. I request that procedures move forward to correct this error. If there is any problem with this request, please be in touch with me.

I request acknowledgment of receipt. Thank you very much for your assistance in this matter.

Sincerely,

KENNETH H. JACK

In support of its application, Wolfe Electric, Inc., states:

1. Wolfe Electric, Inc., is the Assignee/Owner under U.S. Patent No. 6,833,533 issued December 21, 2004.

2. The above styled patent erroneously stated the title as:

Correction of the error is needed in order to preserve and protect patent rights owned by Wolfe Electric, Inc.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the within Petition for Certificate of Correction Pursuant to 35 U.S.C. § 253, 35 C.F.R. 1.322, and M.P.E.P. § 1480.

WHEREFORE, Assignee/Owner respectfully prays that a **Certificate of Correction** be prepared and attached to all copies of the above styled patent, at no cost to Wolfe Electric, Inc.
